Continue to pray for the unsaved, sick, our country, leaders, church, and community throughout 2016. (II Chronicles 7:14)

Here's a New Year's challenge:

Let's read our Bibles through from Genesis to Revelation this year! Here's an easy way to make this happen. Look to see the number of pages in your Bible, divide that number by 366 days, and that's how many pages you'll need to read each day to finish your Bible by December 31, 2016! God will bless and speak to your heart, when you take time to get into His word!
