**2016 CHALLENGE**

***How many of you are seeking God's will in your life?  
If so, this challenge is for you! ☺***

Will you join me in making a commitment to read the **Bible** through this year from Genesis through Revelation? Here's an easy way to accomplish this goal. Get your Bible to see the number of pages the 66 books cover. Divide that number by the number of days left in this year. You will then know how many pages in your **Bible** you'll need to read each day to be finished by 12/31/2016! Get ready to be amazed how God will bless and speak to your heart through your reading! By taking time to read His Word, we can and will find purpose in our lives as we go forward in 2016!

Now to **sweeten the challenge**, please call 961-6657 to let us know you've finished reading your Bible through. When 2016 ends, your name will be put in a drawing for a **NICE prize** to be given away. Also with your permission, we would love to add your name to the list of goal achievers in the first newsletter of 2017 to give God the glory! Can we do it? Yes, we can ... because we know 'For with God nothing shall be impossible'!
