

REMNANT OF GRACE
THE NEWSLETTER OF FORBUSH BAPTIST CHURCH
Yadkinville, NC
JANUARY 18, 2016
Volume IX, Issue 3

Are you seeking God's will in 2016? Please see if you can find **seven** hidden books of the Bible in the paragraph below. **The names are either included as a whole words or split over two or three words.** Can you find these hidden books in **10** minutes? (Answers found on Page 2.)

If someone hopes there will be
acts of God showing him God's
will, then he is mistaken. A humble
approach to God's Word is needed.
learning God's will from His
Word often takes more than a
moment. It usually takes a concen-
trated effort. As a person thinks
about God's Word and as he brews
it in his mind, God uses it to work
in his life in a most wonderful way.
God changes the person from answers
the person finds in the Bible.

Continue to pray for the unsaved, sick, our country, leaders, church, and community throughout 2016. (II Chronicles 7:14)

Are you up for the 2016 challenge?

Can we read our Bibles through from Genesis to Revelation this year? Here's an easy plan to accomplish this. Get your Bible to see the number of pages the 66 books cover. Divide that number by the number of days left in this year. This tells us how many pages to read each day to finish our Bibles by December 31, 2016! God will bless and speak to our hearts, when we take time to get in His word and ponder what's read!

The **SEVEN** hidden books you are looking for on **Page 1** are: Esther, Acts, Nahum, Titus, Hebrews, Amos, and Romans.

As with the puzzle on the previous page, many times we must search the scriptures to find the answers to our questions. Isn't it amazing that the inspired Word of God is a book of many books? The Bible is a Science, History, Math, Spelling, Language, Psychology, Law & Medical Reference, Poetry, Song/Hymnal, Mystery: 'Eye hath not seen, nor ear heard' (I Corinthians 2:9), Love story, and Divine book foretelling the future all rolled into one reading. What's even more amazing is that God's Word is without error and it's alive! No matter how many times we read our Bibles, we will still see things jumping off the pages into our hearts that haven't been noticed before. This happens because God's Word is like His faithfulness, it's new each day! **Enjoy your read!** ☺
