The Story of the Easter Lily

“Tradition states that the Easter lily originated in the Garden of Eden by the teardrops of Eve that she spread while leaving the Garden of Eden. They were teardrops of repentance.

For the Christian, the Easter lily is used in a positive sense and represents many things. The Easter lily is representative of Christ's resurrection; it speaks of purity and innocence, being untainted by the world. The Easter lily also represents a new season, a new birth, such as when one comes to Christ.

Many times, the enemy (Satan) takes the things that God has created and distorts them, causing people to be deceived, and believe a lie. The Easter lily is not to be worshipped; however, the lily can be used as a sign to represent new life. God uses many things of this world, even the earth and its entire splendor as a sign.”
 What do you see with the eyes that God blessed you with, as you look around and God’s wonderful creation?
