A special thanks to everyone, who helped make this year's VBS a huge success. From the ones, who made sure we had gas for the grill, to the teachers, leaders, helpers, cooks, and clean-up crew, I say thank you! VBS could not have been done without everyone's help! We had 60 enrolled in VBS, with an average attendance of 56. Those who took part in VBS this year, were definitely "Submerged" not only in God's Word but also in His love and the love demonstrated by each of you. We also collected \$163.85 for Solus Christus and presented them with a "boat" full of goodies from canned foods to cleaning supplies. We had 11 kids and 11 adults, who went on the VBS trip to the aquarium. Everyone had a great time and saw many different fish, some that surprised us! Again, many thanks for ALL your help and support! *-Tammy*

Note of Recognition: On July 8, 2016, Thurman Smith was presented a certificate of appreciation from the National Weather Service (NOAA) for 20 years of service as a weather observer.
