What is **wisdom**? Webster says that 'it is the quality of being wise; power of judging rightly and following the soundest course of action, based on knowledge, experience, understanding – good judgment.'

James 1:5 "He who lacks wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

Proverbs 8:11 "For wisdom is better than rubies; and all the things that may be desired are not to be compared to it."

Proverbs 16:16 "How much better is it to get wisdom than gold! And to get understanding rather to be chosen than silver!"

Today, let's pray for wisdom so the decisions we make today will be a good reflection on what we will experience tomorrow.

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.
