Find 16 Books of the Bible in this paragraph:

I once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for facts and for other it was a revelation. Some were in a jam, especially since the names of the books were not capitalized, but the truth finally struck home to numbers of readers. To others, it was a real job. We want it to be a most fascinating few moments for you. YES, THERE WILL BE SOME REALLY EASY ONES TO SPOT. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them, and there will be loud lamentations when it is found. One little lady says she brews a cup of tea, so she can concentrate better. See how well you can compete. Relax now for there are really sixteen names of books of the Bible in this story.

Answers will be posted on church bulletin board.
