Men As Solutions (MAS)

On the 2nd and 4th Wednesdays at 6:30am, men of all ages are invited to meet at Forbush High School Cafeteria as a part of "Men As Solutions". The vision of Men as Solutions, is to effect positive societal change by supporting men of all ages in all walks of life through faith-based experiences. The organization's mission is twofold:

- 1.) To provide encouraging group experiences for men, demonstrating that their presence in supporting and modeling to children and families is important, and
- 2.) Provide the opportunity for men to become acclimated and feel comfortable in a school setting.

Substantial evidence documents that strong men clearly impact the chance for educational success of their children. The image of men's involvement in schools means more than getting them involved in a program. It also means helping men to become committed and involved in the growth of the children. Join Men as Solutions starting September 13th. Light breakfast will be provided.
