In 1973, the US Supreme Court ruled in the case of Roe vs. Wade it is unconstitutional to restrict or criminalize a woman's access to abortions. This has continued to be a contentious debate for many in our society. Is abortion murder of an unborn child? When does life begin? What does the Bible say?

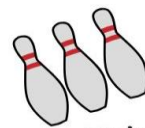

Genesis 1:27 says, "So God created man in His own image; in the image of God He created him; male and female He created them." The Bible says all human life is sacred. God created man in His image. God gave man the ability to create & to reason right & wrong. Both men & women were created in His image, meaning both reflect aspects of God's nature & character. Human beings are sacred because we are specially set apart by God. We are relational beings capable having meaningful relationships with each other & with God Himself.

In Jeremiah 1:5, God told Jeremiah, "Before I formed you in the womb I knew you; Before you were born I sanctified you; I ordained you a prophet to the nations." God Himself creates all human life. God knew Jeremiah before He formed him in his mother's womb! God had already sanctified (set apart) Jeremiah with a plan & purpose for his life prior to conception. In Psalm 139:13, David says, "For You formed my inward parts; You covered me in my mother's womb." God is involved in every stage of development...from conception to birth.

As Christians, we must stand on the Word of God as our authority. The Bible says God knows us before conception & has a plan & purpose for our lives. All human life is sacred & precious to God...so much so that He sent Jesus Christ to die on the cross for every single one (John 3:16; 2 Peter 3:9). Believers must stand up for all human life & defend it as sacred. Abortion is not a political issue...it is a moral issue already settled by God in His Word.

"With sincere thanks to my church family, Thank you for the tremendous outpouring of food that was brought to Ralph Nixon's bereavement meal. It was so much appreciated by my team! Also, many heartfelt thanks to all those who have sent cards, made phone calls, and prayers during Danny's illness and surgery. Please continue to pray for us as we continue with medical follow up. We appreciate it so much."
