From Pastor Justin

Many churches have stopped having regular revival services for reasons that I will never understand. For me, these are important times for the local church. It was during a Fall revival that I received Jesus Christ as my personal Lord and Savior!

During my years in youth ministry, I always looked forward to youth camp during the summer months. To me, youth camp was the most important activity of the year for students. It was an opportunity to get students away from the noise of the world and their crazy schedules so they could hear from and focus on God. It was exciting to see students grow during those weeks of focused worship, Bible study and preaching. The youth always returned home refreshed and closer to the Lord than they were before...and I did, too.

Like youth camp, revival services integrate focused worship and preaching of God's Word for consecutive days. Revival gives us the opportunity to tune out the noise of the world and focus on the Lord in a concentrated way. Jesus would often withdraw for times of refreshing and renewal. If Jesus needed these times, how much more do we today!? Believers need these times to refocus and be refreshed in their walk with the Lord. As we approach homecoming and revival, I encourage you to set this time apart in your schedules. Let this be a time for you to refocus and ask the Lord to refresh you!
