What is truth? Where does real truth come from? Many today reject the idea of absolute truth. Well-known student evangelist Josh McDowell says, "Absolute truth is true for all people, for all places, & for all time."

Josh McDowell believes most evangelical Christian youth in the United States no longer believe in absolute truth. Through a study conducted over several years, Josh concluded the following: In 1991, 52% of born-again students in America say there is no absolute truth. In 1994, that figure rose to 62%. In 1999, it rose again to 78%. By 2002, 91% say there is no absolute truth.

So why does this matter? It is abundantly clear that Christian students are not sufficiently grounded in the truth of God's Word. Today, our students are bombarded by atheists, agnostics & skeptics through secular university professors & the internet.

God is truth & is the source of all truth (John 14:6). Therefore, God's spoken Word is truth (John 17:17). The Bible is inspired, inerrant & infallible (2 Timothy 3:16-17; 2 Peter 1:20-21). It doesn't contain God's word...it IS God's Word. It speaks God's truth to every person, in all places & at all times. May Christians live & proclaim unapologetically the truth we claim to believe!
