"Behold what manner of love the Father has bestowed on us, that we should be called children of God..."
-1 John 3:1 (NKJV)

When John wrote these words, he was amazed by the concept of God's love. Not only does God love, God is love (1 John 4:8). God defines love. The almighty Creator & Sustainer of the universe loves ME! He knows me by name. He knows everything about me. The immeasurable & unconditional love of God truly staggers the imagination. There is no greater love than the love God has demonstrated to us through His Son Jesus Christ on the cross (Romans 5:8; John 15:13).

God's love is "bestowed" on us as believers. This is a very significant word in this verse. It means we are completely immersed in God's love. God's love is neither earned nor deserved. It cannot be lost or diminished. His love is permanent & everlasting. In Jeremiah 31:3, God tells Israel, "...Yes, I have loved you with an everlasting love; Therefore with loving kindness I have drawn you." Through His great love, God even adopts believers as His own children into the family of God.

This Valentine's day, may we reflect on the incredible love of God as John did & be amazed!
