From the Pastor

*A good name is to be chosen rather than great riches,
 Loving favor rather than silver and gold.*
-Proverbs 22:1 (NKJV)

When I was in elementary school, I remember memorizing a monologue in William Shakespeare's "Julius Caesar." In this monologue, there is a phrase that reads, "The evil that men do lives after them; The good is oft interred with their bones."

I guess this depends on your perspective. Pessimistic people tend to focus on the evil deeds of others more than they do the good. However, when a truly righteous person comes along, even a pessimist will find it difficult to completely silence the good reputation & legacy that person built over their lifetime.

A good name is worth more than anything this world has to offer. To live a godly life without regrets is something we all should strive for. We should be concerned about what God thinks of us first & foremost. However, we should also be concerned about what others think. Believers should strive to be an asset to the Kingdom of God, not a liability. Our lives should glorify God & draw people to Jesus Christ, not push them away.

When the story of your life is finished, what will you be remembered for? What will your legacy be?
