From the Pastor

"But now Christ is risen from the dead, and has become the firstfruits of those who have fallen asleep."

-1 Cor 15:20 (NKJV)

Without the resurrection, the cross means nothing. Jesus would still be dead. Our message would be worthless. Our faith would be baseless & pointless. The Apostles would be false prophets & liars, pulling off the greatest con in history! We would remain dead in our sins. Believers who have died wasted their lives believing a lie & have entered eternity without salvation.

But the truth is clear. Jesus could not come out of the tomb apart from the resurrection. Pilate & the Roman soldiers who guarded Jesus' tomb would not have allowed it. Well over 300 Old Testament prophecies were fulfilled perfectly in the life, death & resurrection of Jesus. The eyewitness testimony of over 500 people & the radical testimony of the Apostles & early church supports they knew what they saw & heard. Jesus is alive!

The resurrection changes everything! It validates Jesus' identity, claims & teachings. It confirms His sacrifice on the cross was valid. Because of Jesus' resurrection, believers have a living hope! Jesus became the first to rise from the dead, never to die again...the "firstfruits" of those who eagerly await His return!
