From the Pastor

*"But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him. God is Spirit, and those who worship Him must worship in spirit and truth."
 -John 4:23-24 (NKJV)*

Worship is the most important purpose for God's people. If our worship is off, so is everything else. Worship is bigger than what we do corporately on Sundays & Wednesdays. Worship is not so much what we do, but who we are. It is a lifestyle. Worship can be defined as "the response of an adoring heart to the magnificence & value of God."

When Jesus met the woman at the well in John 4, her responses revealed her heart attitude. The Samaritans believed God was to be worshiped in one place, while the Jews believed God was to be worshiped in another. Jesus explains to her that the place is not so important. Rather, the attitude of the heart is what truly matters.

True & correct worship begins in the heart... a grateful heart that recognizes & adores God's worth. When Jesus has His rightful place as Lord in our hearts, our worship will be right. Worship is not about us or even a place. Worship is all about Jesus. He is the only focus & audience of our worship.
