From the Pastor

"The desire of the lazy man kills him, For his hands refuse to labor. He covets greedily all day long, But the righteous gives and does not spare."

-Proverbs 21:25-26 (NKJV)

Our society teaches us to covet the prosperity of others & even demonizes them. As a result, many are not willing to work & somehow feel society owes them a handout. There are those who cannot work due to disability & sickness. Scripture clearly instructs believers to seek to help those people. However, scripture is also clear those who are able to work should do so.

God's Word has a lot to say about the importance of hard work. For example, Proverbs 6:6-11 challenges us to consider the work of a simple ant & how a refusal to work quickly leads to poverty. Ecclesiastes 9:10 says, "Whatever your hand finds to do, do it with all your might." In 2 Thessalonians 3:10-11 says if a person who is able to work chooses to be a busybody & refuses to work, he or she should not eat.

The believer's work ethic is very important. Whatever we do, we should do it to honor God (1 Corinthians 10:31). We should be submissive to our employer, good or bad (1 Peter 2:18-20). Whether we work, play or serve the Lord, worship & tell others about Him in the way you do it!
