“But seek first the kingdom of God and His righteousness, and all these things shall be added to you. Therefore, do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble.” (Matthew 6:33-34)

Whether it's the Coronavirus, financial chaos or crazy politicians, it seems everyone is worried about something. Worry happens when our faith is in something besides Jesus. Philippians 4:6-7 instructs believers not to worry about anything. Instead, we should take our concerns to God & He will give us peace beyond comprehension. Psalm 55:22 says, “Cast your burden on the Lord, and He shall sustain you; He shall never permit the righteous to be moved.” In an uncertain world, one thing will always be certain: God is in control & He's got this! So, don't worry. Have faith in God!

CORONAVIRUS UPDATE FROM THE PASTOR & DEACONS

The Deacons & myself met via conference call on Wednesday, March 25 to determine our plans in light of the coronavirus situation. While there are no confirmed cases in Yadkin County to date, there are a few cases in neighboring counties. North Carolina Public Schools are closed through May 15 & students (including mine) are continuing their school work at home. In light of this, we feel it best to cancel all services & events at least through the end of April. This includes Spring Revival services. We will continue to monitor events & plan to reevaluate the situation near the end of April.

I will be recording & posting video sermons each week on the church website by 11:00am each Sunday morning for you to view at home. Our website address is www.forbushbaptistchurch.org. I also encourage you to send in your tithes & offerings. Instructions for how to do this are included in the phone message you should have received last week. Please contact me if you didn't receive it.

The Deacons & myself will also be conducting phone calls (no visits) to check on everyone periodically during this time. Should a need arise, please contact your family Deacon, Deacon of the Week or myself.

A Family in 'Lockdown'

Noah's Ark

40 days, 40 nights in the Ark, Noah's family was confined in a boat. There were no windows, no balconies, no terraces, no internet, no phone, no TV, no Youtube, Facebook or Netflix. They only heard the rain. They spend their time praying, loving each other and caring for the animals. God the father took care of them as Noah was a man of faith and obeyed His word. Remember even though there is an ocean of viruses and life seems like a stormy ride, Our God is watching over us! Do not be Afraid! Be faithful to Him and wait patiently. The rain will stop one day. A rainbow will shine and all will be well again.
