“My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience. But let patience have its perfect work, that you may be perfect and complete, lacking nothing.” (James 1:2-4)

Charles Swindoll once said: *“The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company...a church...a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past...we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude...I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you...we are in charge of our attitudes.”*

In difficult times, the depth of our faith can be measured by our attitude. We might ask, “Lord, why is this happening to me?” What we should ask is, “Lord, what are you trying to do through this circumstance to make me more like Jesus?” God is always working & able to grow us spiritually in difficult times if we trust Him & maintain an attitude for growth.

****I want to thank Shirley Dinkins & Ramona Trivette for providing the enclosed masks for our active attendees. We hope you find these beneficial as you take necessary precautions. We love each of you & pray that you remain healthy & unaffected by the Coronavirus. Take steps to protect yourself, pray & have faith in God!**
