If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land. -2 Chronicles 7:14 (NKJV)

Our country is at a crossroads. Throughout Israel's history, the nation drifted away from God at times & He removed His hand of blessing & protection. However, there were also times of great repentance & revival. The formula for America is clear. God's people need to humble ourselves before God & each other. We need to get on our knees in fervent prayer, repent & seek God's face. God told Jeremiah, "You will seek me and find me when you search for me with all your heart" (Jeremiah 29:13). The future of our country does not rest in politics. Our only hope is Jesus Christ.
