***because "All flesh is as grass, And all the glory of man as the flower of the grass. The grass withers, And its flower falls away, But the word of the Lord endures forever." Now this is the word which by the gospel was preached to you. (1 Peter 1:24-25, NKJV)***

There are a number of problems in our world today that are direct results of sin & rejection of God. But I think one of the gravest issues we face is a crisis of truth. The world is searching for truth. They are looking for something genuine & want their life to have meaning & purpose. But if truth is relative & there is no absolute standard of truth, how do we know what to believe? The Bible has the answers for life. It has & will continue to stand the test of time because it is God's inspired, inerrant, infallible Word. Believers, we know the truth & the truth has set us free (John 8:31-32). Let's share it!
