Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Matthew 9:37-38, NKJV)

It seems the news is getting worse everyday. People are assaulted, shot & robbed in broad daylight. Looting & riots have somehow become acceptable for expressing discontent. We don't know what to believe when elected officials speak. People are hurting & searching. So what is the answer?

People need the Lord. Jesus is the only hope for our country & world. No legislation or human being can fix the problems we face. Jesus commissions believers to love others & be part of His solution. The work of sharing the Gospel truly is great, but it seems so few are willing to step out. Will you?
